We are registering _____ for the National Youth Gathering held approximately July 17-23, 2012 (dates may change a day or two on either side).

- We understand that once we register for this trip and pay the down payment we are fully responsible for the entire cost of the trip up to \$1500 even if we decided not to participate.
- We understand that the entire balance of the trip must be paid prior to departure for the trip in July in order for students to participate.
- We understand that monthly payments are required and that default of payment can cause a student to become ineligible. If families have an issue with a month's payment they should communicate with Katie or any one of Bethlehem's pastor's immediately.
- We have been informed about scholarship and fundraising opportunities and know that we have access to these by speaking to any of Bethlehem's pastors or to Katie.
- We understand that students must adhere to a behavioral covenant. Breaking of this covenant can cause a student to loose their eligibility to participate.
- We understand that there are requirements for trip preparation, which begin in October 2011 and include meetings and service opportunities with large and small groups. We realize that these are mandatory pieces of the preparation process and that unexcused absences can cause a student to become ineligible.

Once a student is registered they and their family are fully responsible for the entire cost of the trip even if they choose not to participate or become ineligible by their actions.

We understand the terms for participation in this trip and agree to the terms of this contract.
